Living the Dream Talent Expo

Our next "Talent Expo" is at
Manaia View School on

THURSDAY 30th July

There will be two filming
sessions and times will be set
when participants finalized.

The application and media
release forms are attached.
Applications close on **24th July**.

Let's get behind this expo and
show our viewers just what our
students are capable of!

Let's make this truly successful!
Share this info with your
parents, students & staff.

Promo Poster included.

✕ **Want a Copy** ✕

*Remember, if your child or students are on the show, parents
can order a copy for \$15.*

The new diversification of Pukeko
Echo content has been very
successful and the feedback from our
student viewers reflects
this. And what's new on
Pukeko Echo? The Leader
now makes their children's
news items available for
our news segment. Two
new segments, Fighting Fit
and Time to Dance, have been
added to the show, along with new
segments from new schools. Our
film crews have had some awesome
experiences, shooting footage out in
the real world and alongside
professional crews. Two that come
to mind are the kids rugby day with
the Blues and the Coastal Cleanup
project.

Getting footage from more of our
Whangarei schools and developing a
library footage remain key foci.
With all the fantastic activities that
I've heard happening in your
schools it would be neat to have
these on the show.

With school productions and
concerts coming up please contact
either Alex or me if you require info
about filming these.

If you need any
technical advise linked
to: how to submit a
segment, cameras,
film quality etc. please
email us your query.

Finally promoting the Talent Expo is
something we ask that you sell big
time in your schools, please. Details
have been emailed to your school.

PET info packs will be posted and
arrive in schools before the end of
the term. Thanks

Marilyn Small
